

BOSTON BRAVES WIN TWO FROM DODGERS

New Champions of National League Have Easy Time Capturing Double-header from Brooklyn.

WHITTED'S HITTING FEATURES

Brooklyn, Oct. 5.—For three hours and forty-eight minutes today the new champion Braves got practically incessant practice in running bases. The lower Dodgers were cast at the other end of the double-header sketch and furnished Mr. Stallings' Braves with two victories by the overwhelming scores of 15 to 2, and 9 to 5. A Brave named Whitted is now being touted to snatch the laurels from the brow of Mr. Home Run Baker, of the Athletics, for in the first game today he tore off one home run and in the second season one more. Mann was close behind, making a triple in the first and a home run in the second. The scores:

HILLTOPPERS ARE IN GOOD CONDITION

Georgetown Football Squad Comes Through Navy Game in Great Physical Shape.

There was no let-up for the Georgetown football squad on the Hilltop yesterday. Coach Exelme had his charges working until midnight, running through signals, punting and going down the field under kinks.

Every player came through the Navy struggle Saturday in good physical condition, which speaks volumes for John O'Reilly, the new trainer, who has had charge of the physical welfare of the squad since practice started.

Georgetown's faults and also its good points were brought to light in the hard struggle against the Navy Saturday. The Hilltoppers will spend most of the week trying to correct these faults.

In preparation for the battle against the Virginia Medicos Saturday, a number of new plays will be taught the Hilltoppers, and the coaches started yesterday instructing the men in the use of these plays.

Freddie Brannon, the crack pitcher on the English High School team, of Boston, Mass., who graduated from that school last June, has entered Georgetown, and it is expected that he will be out for the team next spring.

Brannon made quite a name for himself in schoolboy circles and is regarded as promising "variety" material.

PREPARING FOR CORNELL.
Carlisle, Pa., Oct. 5.—Football practice at the Carlisle Indian School this afternoon was directed mainly towards shaping up the Indians for the Cornell game. Coach Warner has decided not to let the arrangement of last week stand and today had Pratt moved from right end to half back, where he showed some aptitude. A notable change was the transfer of Center Winniehek to an end position.

CHICAGO HOLDS LEAD.
Chicago, Oct. 5.—The Chicago Cubs defeated Kansas City this afternoon, 2 to 0, and maintained their lead in the pennant race.

YALE MAKES CHANGES.
New Haven, Conn., Oct. 5.—Although three changes were made in the Yale eleven in its opening game, of this city today, it was stated by the coaches that none is permanent. Chatfield, Taylor, Weidman, "Tug" Wilson and Easton were assigned the posts formerly filled by Oakes, Knowles, Church and Alexander Wilson, but merely for the sake of giving the regulars an afternoon.

MACKMEN ARE READY FOR WORLD'S SERIES

Bush Only Member of Team Not in Condition—Athletics' Leader Will Not Make Prophecies.

Philadelphia, Oct. 5.—"A team that can bound to the front and win a pennant as the Braves have done must be a pretty good baseball team. We do not look upon any ball club of that calibre as 'easy meat.' From now on until the last ball game is pitched in the American League season, we will be preparing for the season."

This was Connie Mack's statement today when he was asked to forecast the probable outcome of the world's series. Reminded that his statement really prophesied nothing, the rangy leader of the American League champions said:

"That is all I care to say about what is going to happen. All of my men are in the best of condition, with the exception of Bush, and all that ails him is a bad finger, and I am resting him up, so he will be ready for the big games."

Mack called a conference of players in the clubhouse after today's game with the Yanks, and announced that a daily conference, to discuss plays for the world's series, would be held from now on.

TRACK ATHLETE NEAR DEATH.
Ithaca, Oct. 5.—Oliver A. Reller, of St. Louis, captain of the Cornell track team, lies near death in the Cornell infirmary tonight as the result of a motorcycle accident on the Slaterville road, a few miles east of this city, early this evening.

Reller and Victor S. Anneke, of Duluth, were on Anneke's machine when they struck a stone in an unused road and were thrown violently to the ground. A half hour afterward they were found and were rushed to the hospital. Anneke's condition is bad, but less so than his companion.
